As specialists, we have successfully delivered countless projects with meticulous precision and excellency from concept through to completion. This attention to detail, has earned us a reputation as the choice organization for most formidable companies.

A major element of our success is based on teamwork and professional management executives, whose experience in the built construction environment, and general breadth of knowledge provides a beacon to all our business undertakings.

At Ukuza Consulting, we possess both the expertise and resources necessary to undertake any project regardless size or complexity. Our company has professional indemnity cover, public liability and risk insurance, to the value of R10 million per each individual claim.

*"Do not judge me
by my successes,
judge me by how
many times i fell
down and got back
up again".*
